# A MESSAGE FROM THE CHAIR OF THE BOARD

## UN MESSAGE DU PRÉSIDENT DU CONSEIL

For NYO Canada, 2019 represented a landmark year as the Orchestra truly 'broke through' to international recognition and profile.

Musicians received standing ovations in every Canadian venue, and audiences in Spain lined up hours before the concerts. At the beautiful Palace of Charles V in Granada, the excitement built to such a pitch that the orchestra received a spontaneous standing ovation with two encores. European audiences described how moving it was to hear the beautiful voices of the Orchestra resonate through the palace walls, as they rose to sing *Lead Us Home* by Matthew Emery and *Garde ton rêve* by Marie-Claire Saindon.

This year also saw NYO plan its first international collaboration, with the European Union Youth Orchestra. In November 2019, EUYO players and famed international conductor Sascha Goetzel will join forces with NYO alumni to mount four Canadian concerts.

NYO also achieved international interest in our J & W Murphy Initiative, a pilot project in mental health we launched last year to help prepare NYO Canada musicians for the rigours of life as elite professionals. The program has continued to generate headlines and has been described as the world's most comprehensive program addressing the unique mental health needs of gifted young musicians. Our framework and findings were a subject of discussion at two international conferences in Bucharest, Hungary and Paris, France, and we continue to receive inquiries from arts leaders around the world hoping to implement similar programs.

These are just a few of the highlights made possible by our committed community of tireless advocates. Clearly, the world is waiting for more of what NYO Canada has to offer, and we have all our donors to thank for that.

To our staff, board, and faculty, I would like to thank you for your creativity and commitment. To our government sponsors, our heartfelt gratitude. And to the many individuals, foundations and corporations who support us so faithfully with scholarship and operational funds, please know that we simply cannot do it without you.

We look forward with great anticipation to our 2020 *Generations* tour – a 60th anniversary celebration and a time of renewal of our commitment to orchestral training in Canada.

Thank you to everyone who is a part of this growing success story. Together, we are creating something extraordinary.

James Hunter  
Chair, NYO Canada Board of Directors  
Président, conseil d'administration NYO Canada

Pour NYO Canada, l'année 2019 a été marquante : l'orchestre a réellement percé et s'est établi une réputation envieuse à l'échelle mondiale.

Nos musiciens ont été témoins d'ovations dans chacune des salles de concert au Canada, et ont vu les publics espagnols faire la file des heures avant le début des concerts. Au superbe Palais de Charles V à Grenade, l'enthousiasme a atteint une telle effervescence que l'orchestre a reçu une ovation spontanée et deux rappels. Les publics européens ont décrit l'émotion qu'ils ont ressentie en entendant les superbes voix des membres de l'orchestre chanter *Lead Us Home* de Matthew Emery et *Garde ton rêve* de Marie-Claire Saindon, faisant vibrer les murs du palais.

Cette année, NYO a aussi planifié sa première collaboration internationale avec l'Orchestre des jeunes de l'Union européenne. Les musiciennes et musiciens de l'EUYO, accompagnés du célèbre chef d'orchestre de renommée internationale Sascha Goetzel, se rassembleront avec des anciennes et anciens de NYO dans le but de présenter chez nous une série de quatre concerts.

NYO a aussi suscité de l'intérêt à l'échelle mondiale avec son initiative J & W Murphy, un projet pilote en santé mentale que nous avons lancé l'an dernier pour aider à préparer les jeunes artistes de NYO Canada pour les rigueurs d'une vie de professionnels d'élite. Le programme a continué de faire les manchettes et a été décrit comme le programme le plus complet au monde pour traiter les besoins particuliers des jeunes musiciens doués en matière de santé mentale. Notre programme a fait l'objet d'entretiens dans le cadre de deux congrès internationaux, à Bucarest, en Hongrie, et à Paris, en France. Nous continuons de recevoir des demandes des quatre coins du monde de la part de chefs de file dans le domaine des arts désireux de mettre en œuvre des programmes semblables.

Ceci ne représente que quelques-uns des points saillants de ce qu'a réalisé notre communauté dévouée de défenseurs acharnés. D'évidence, le monde entier attend de voir ce que lui réserve NYO; nous vous disons merci, car ces accolades sont attribuables à vous en partie.

À notre personnel, au conseil de la direction et au corps enseignant, merci également. Merci pour votre créativité et votre engagement. Aux commanditaires gouvernementaux, notre gratitude profonde. Et enfin aux particuliers, fondations et sociétés qui nous appuient si fidèlement avec des fonds de bourse et opérationnels, sachez que sans vous, rien ne se passerait.

Nous attendons avec impatience le début de notre tournée *Générations* 2020 qui marque notre soixantenaire et un renouvellement de notre engagement à l'égard de la formation orchestrale au Canada. Nous prévoyons une série d'événements extraordinaires et, pour célébrer nos soixante ans, nous lancerons une campagne de financement de 10 millions de dollars pour notre fonds de dotation.

Nous remercions tous ceux et toutes celles qui font partie de l'histoire de notre succès, une histoire qui se poursuit sans cesse. Ensemble, nous créons quelque chose d'exceptionnel.

# A MESSAGE FROM THE EXECUTIVE DIRECTOR

## UN MESSAGE DE LA DIRECTRICE GÉNÉRALE

Standing ovations certainly remind audiences of the excellent calibre of our musicians, but at NYO Canada, we never forget that it all begins with the training. Performances like these take great preparation, focus, and artistry, and we are proud to see our training institute continue to grow and move from strength to strength.

This year's success story began with our most comprehensive summer training institute ever, which launched in June, as 93 students, 55 faculty, visiting artists, commissioned composers and conductor Michael Francis converged for five weeks of intensive residential preparation at the Wilfrid Laurier University Faculty of Music.

This was our most ambitious training institute ever, as we built on mental health programming with a pilot project in high-performance precision mental coaching. This coaching saw the implementation of private performance skills lessons in English and French (not unlike the kind of training undergone by elite athletes) and represents a hoped-for foray into even more sophisticated skills development for our musicians. This new type of training was created at the University of Ottawa by an NYO faculty member, and is designed to boost performance excellence, improve practice planning and skill retention, and help solve challenges like uncertain confidence, losing focus under pressure, and dealing with stress.

Our donors understand the importance of both investing in our students through scholarships, and investing to make our institute the most elite in the world. This year, we are especially grateful to the Azrieli Foundation, and RBC Emerging Artists Project. Both of these donors made substantial new investments in our training institute, with dividends accruing all across the spectrum of NYO activity.

Heartfelt thanks are also due, as always, to the Government of Canada, the Department of Canadian Heritage, the Canada Council for the Arts, and the Ontario Arts Council for their continued foundational support of NYO Canada. We are deeply grateful to our tour and audition sponsor TD Bank Group, to our travel sponsor VIA Rail, and to program supporters including The Leonard and Gabryela Osin Foundation, the J & W Murphy Foundation, Wilfrid Laurier University, and BMO Financial Group, to name just a few. And of course, our thanks to all of you.

As we move towards our 60<sup>th</sup> anniversary in 2020, NYO continues to be an integral part of Canada's cultural landscape. Because of your support, we are able to continue the important work of providing the nation's finest emerging musicians with the tools they need to pursue their dreams. We could not do it without you.

Barbara Smith  
President & CEO, NYO Canada  
Présidente-directrice générale, NYO Canada

Les ovations sont gage de l'excellent calibre de nos musiciens, mais, à NYO Canada, nous ne perdons jamais de vue que tout commence par la formation. Des prestations comme les nôtres demandent préparation, concentration et sens artistique. Nous sommes heureux de voir notre institut de formation continuer de grandir de point fort en point fort.

Les bases du succès de cette année ont été jetées à notre institut estival de formation le plus complet à ce jour, qui a commencé en juin. Quarante-vingt-treize étudiantes et étudiants, 55 enseignants, des artistes invités, des compositeurs mandatés et le chef d'orchestre Michael Francis se sont rassemblés pour cinq semaines de préparation intense à la faculté de musique de la *Wilfrid Laurier University*.

Notre institut de formation de cette année était le plus ambitieux à ce jour : nous avons renforcé notre programme de santé mentale avec un projet pilote d'encadrement mental de précision en vue de performances de pointe. Cet encadrement a mené à la mise en œuvre de cours particuliers d'aptitudes de performance en anglais et en français, des cours assez semblables à ceux que doivent suivre les athlètes d'élite. Ainsi, nous nous sommes aventurés encore plus loin pour parfaire les aptitudes de nos musiciennes et musiciens. Cette nouvelle formation a été créée à l'université d'Ottawa par un membre du corps enseignant de NYO, et vise à favoriser l'excellence des prestations, la planification des répétitions et le maintien des compétences, en plus d'aider les élèves à relever les défis liés au manque de confiance en soi, aux pertes de concentration sous pression et au stress.

Nos donateurs comprennent l'importance d'investir dans nos étudiants par l'entremise de bourses, et aussi d'investir pour que notre institut devienne l'un des plus évolués au monde. Cette année, nous sommes particulièrement reconnaissants à l'égard de l'*Azrieli Foundation* et du programme d'artistes émergents de la Banque Royale du Canada. Ces deux donateurs ont fait un investissement important dans notre institut de formation, et les dividendes qui en découlent se sont fait sentir dans la gamme complète des activités de NYO.

Nos chaleureux remerciements, comme chaque année, au gouvernement du Canada, au ministère du Patrimoine canadien, au Conseil des arts du Canada et au Conseil des arts de l'Ontario pour leur soutien fondamental et continu. Nous sommes également très reconnaissants à l'égard du Groupe Banque TD, notre commanditaire pour la tournée et les auditions, de VIA Rail, qui commandite nos déplacements, et des supporters du programme comme la *Leonard and Gabryela Osin Foundation*, la *J & W Murphy Foundation*, la *Wilfrid Laurier University* et BMO Groupe financier, pour n'en nommer que quelques-uns. Et bien sûr, un énorme merci à chacun et chacune d'entre vous.

Alors qu'approche notre soixantième anniversaire en 2020, NYO continue de faire partie intégrante du paysage culturel canadien. C'est grâce à votre appui que nous pouvons poursuivre notre tâche importante : donner aux meilleurs jeunes musiciens en émergence au Canada les outils dont ils ont besoin pour réaliser leurs rêves. Sans vous, il ne serait pas possible pour nous de le faire.

## ABOUT NYO CANADA

## À PROPOS DE NYO CANADA

Created in 1960 by noted conductor Walter Susskind, NYO Canada (National Youth Orchestra of Canada) is dedicated to the identification and training of young classical musicians 16 to 28. Annual national auditions are held to find the 100 most talented young musicians in Canada. In late June, these gifted players gather on the campus of Wilfrid Laurier University for 5 weeks of rigorous, tuition-free training under the leadership of world-class faculty and conductors. Following the training session, the orchestra embarks on a national and/or international tour. Thanks to generous donors, each Orchestra member receives a \$1,200 scholarship to cover expenses.

Over its 60 years, NYO Canada has evolved into an internationally recognized incubator for young orchestral musicians and is now one of the most elite youth orchestras in the world. Alumni form the core of major Canadian orchestras and are also prominent internationally.

NYO Canada offers a tuition-free program providing more hours of practical orchestral training in one summer than many university programs offer in one year. Our goal is to provide the best possible gateway available to musicians aspiring to a professional career in music, including job readiness, mental health, and business training that extends musicianship into professional confidence and preparation for roles as youth ambassadors for Canada.

Fondé en 1960 par le chef d'orchestre de renom Walter Susskind, NYO Canada (l'Orchestre national des jeunes du Canada) se consacre à repérer et à former de jeunes musiciens classiques de 16 à 28 ans. Des auditions annuelles se déroulent pour découvrir les 100 meilleurs jeunes musiciens et musiciennes au pays. À la fin juin, ces jeunes talentueux se rassemblent au campus de la *Wilfrid Laurier University* pour vivre une formation rigoureuse de 5 semaines sans frais de scolarité, auprès d'enseignants et de chefs d'orchestre de renommée mondiale. Après la formation, l'orchestre entreprend une tournée nationale et/ou internationale, et chaque étudiant reçoit une bourse de 1 200 \$ pour couvrir ses dépenses.

Au fil de ses 60 ans, NYO a évolué pour devenir un incubateur de jeunes musiciens d'orchestre reconnu à l'échelle internationale et fait maintenant partie de l'élite mondiale des orchestres de jeunesse. Les anciennes et anciens de NYO forment le cœur des grands orchestres canadiens, et sont également en vue à l'échelle du monde entier.

NYO offre un programme sans frais de scolarité offrant plus d'heures de formation orchestrale pratique en un seul été qu'en offrent de nombreux programmes d'université en une année complète. Notre but est d'offrir le meilleur sentier qui soit aux musiciennes et musiciens qui aspirent à se forger une carrière professionnelle en musique. Le programme touche divers sujets, dont la préparation à l'emploi, la santé mentale et la formation commerciale. Il transforme leur musicalité en confiance professionnelle et en une préparation de pointe pour jouer des rôles de jeunes ambassadeurs du Canada.

## MAESTRO MICHAEL FRANCIS

Known for maintaining a diverse repertoire, Maestro Michael Francis enjoys great reception throughout North America, Europe, and Asia.

As the newly appointed Chief Conductor of Deutsche Staatsphilharmonie Rheinland-Pfalz, he brings to NYO Canada diverse experiences with MDR Leipzig Radio Symphony Orchestra, Rochester Philharmonic Orchestra, Indianapolis Symphony Orchestra, Tampere Philharmonic Orchestra and debuts with St. Louis Symphony Orchestra as well as Phoenix and San Diego symphonies. Other guest and return appearances in North America have included Cleveland Orchestra, New York, Cincinnati, Houston, Atlanta and Pittsburgh, as well as the symphonies of Montreal, Toronto and Ottawa.

Working with young musicians has always been a priority for Maestro Francis. Along with his return to the National Youth Orchestra of Canada, Francis has made frequent visits to Miami's New World Symphony and recently returned to the National Youth Orchestra of Scotland. He also works regularly with young musicians in Florida as part of the orchestra's community engagement initiative.

Now entering his fourth season as Music Director of The Florida Orchestra, he has led a transformative community engagement initiative, which has included state-wide residencies, programmatic collaborations with local museums, and a hugely expanded lecture series. He is also Music Director of the Mainly Mozart Festival in San Diego, where he has launched an ambitious multi-year exploration of Mozart's life

We were thrilled to journey into the heart of Spain with this accomplished leader.

Reconnu pour la diversité de son répertoire, monsieur Francis est toujours chaleureusement accueilli en Amérique du Nord, en Europe et en Asie.

À titre de chef d'orchestre récemment nommé du *Deutsche Staatsphilharmonie Rheinland-Pfalz*, le maestro Francis apporte à NYO Canada une impressionnante diversité d'expériences auprès des *MDR Leipzig Radio Symphony Orchestra, Rochester Philharmonic Orchestra, Indianapolis Symphony Orchestra, Tampere Philharmonic Orchestra*, avec des premières auprès du *St. Louis Symphony Orchestra* ainsi que des orchestres symphoniques de Phoenix et de San Diego. Parmi ses retours et apparitions en tant que chef invité en Amérique du Nord, mentionnons le *Cleveland Orchestra* et les orchestres symphoniques de New York, Cincinnati, Houston, Atlanta, Pittsburgh, ainsi que de Montréal, Toronto et Ottawa.

Le maestro Francis a toujours privilégié son travail auprès des jeunes musiciens et musiciennes. En plus de son retour au pupitre de l'Orchestre national des jeunes du Canada, monsieur Francis a aussi fréquemment dirigé le *New World Symphony* de Miami et, plus récemment, le *National Youth Orchestra of Scotland*. Il travaille aussi régulièrement auprès de jeunes musiciennes et musiciens de la Floride dans le cadre d'une initiative d'engagement communautaire de l'orchestre.

Entrepreneur actuellement sa quatrième saison au titre de directeur musical du Florida Orchestra, il est à la tête d'une initiative d'engagement communautaire transformatrice qui a englobé des résidences à la grandeur de l'État, des collaborations programmatiques avec des musées de la région et une très vaste série de conférences. Il est également directeur musical du Mainly Mozart Festival de San Diego où il a lancé une ambitieuse exploration pluriannuelle de la vie de Mozart.

Nous sommes fiers de notre aventure au cœur de l'Espagne en compagnie de ce leader accompli.

# 2019 SUMMER IN REVIEW

## UN RETOUR SUR L'ÉTÉ 2019

### A National and International Success!

NYO Canada's 2019 TD *Odyssey* tour was a breakout success many years in the making. It was the painstaking efforts of donors, governments, friends, faculty, staff and musicians over many years that led us to the acclaim and profile we enjoyed in 2019. This extraordinary summer will always be seen as the moment the Orchestra truly broke through to international recognition, as NYO received more critical accolades, standing ovations, media coverage, and sheer buzz than at any other time in our history. It was an unforgettable year for everyone involved.

### Audience Feedback

At concerts attended by government dignitaries, the Spanish Ambassador, The Lieutenant Governor of Ontario, and some of the most illustrious donors and government leaders in Canada, the Orchestra received standing ovations in every venue they played at home (Ottawa, Montreal, Parry Sound, Stratford, Toronto), and dozens of emails were received from grateful Canadian audience members. Here is just one example:

*Dear NYO and Michael Francis:*

*Just wanted to tell you that the performance you gave in Stratford was one of the most moving and best symphony performances I have heard anywhere and that includes some of the world's top orchestras: Boston and Levine and Dohanyi; LA and Dudamel, the Orchestra dell'Academia Nazionale di Santa Cecilia and Anthony Pappano with Martha Argerich.*

*The Prokofiev and Matthew Emery both stopped my breath at points, which has never happened to me before. Thank you for a most amazing concert and experience.*

### Un succès national et international!

La tournée TD *Odysée* 2019 de NYO Canada a connu un succès fou qui a pourtant demandé des années de préparation. Elle est née des efforts laborieux de nos donateurs, des gouvernements, des amis, des enseignants, du personnel et des musiciens et musiciennes qui, au fil des ans, ont fait des apports qui ont finalement mené aux éloges et à la renommée dont a joui l'orchestre en 2019. Cet été extraordinaire demeurera pour nous, à jamais, celui où l'orchestre s'est vraiment démarqué sur le plan international : NYO a reçu plus d'éloges de la critique, plus d'ovations, plus de présences dans les médias et plus d'enthousiasme pur qu'à tout autre moment de son histoire. Une année inoubliable pour tous ceux qui y ont participé.

### Les impressions de nos publics

Dans le cadre de ses concerts auxquels ont assisté des dignitaires, l'ambassadeur de l'Espagne, la lieutenante-gouverneure de l'Ontario et certains des donateurs et chefs gouvernementaux les plus illustres au Canada, l'orchestre a reçu des ovations dans chacune des salles de concert où il s'est produit au pays (Ottawa, Montréal, Parry Sound, Stratford, Toronto), et des douzaines de messages de courriel de la part de mélomanes canadiens reconnaissants. En voici un seul exemple parmi tant d'autres :

*Chers NYO et Michael Francis,*

*« Je voulais simplement vous dire que votre concert à Stratford a été l'une des prestations d'une symphonie les plus émouvantes et les meilleures que j'aie vues à tout endroit, y compris chez certains des meilleurs orchestres du monde : Boston avec Levine et Dohanyi; Los Angeles avec Dudamel, l'Orchestra dell' Academia Nazionale di Santa Cecilia avec Anthony Pappano et Martha Argerich.*

*Les pièces de Prokofiev et de Matthew Emery m'ont coupé le souffle par moments, ce qui ne m'était jamais arrivé auparavant. Merci pour un concert et une expérience magnifiques. »*

*John Lederman*

## Spain: Long Lines, Packed Houses, Standing Ovations

In Europe, the musicians brought the house down at three famed Spanish Festivals, including San Lorenzo de El Escorial and the Festival International de la Guitarra in Granada, where they played Vivaldi with soloist Jose Miguel Moreno, *Romeo & Juliet* by Prokofiev, and *Three-Cornered Hat*, Suites 1 & 2 by Manuel de Falla. At the beautiful Palace of Charles V, the crowd started lining up at 6:30 for a 9:00 concert, and the excitement kept building, culminating in a spontaneous standing ovation with two encores. Attendees described how deeply moving it was to hear the beautiful voices of the orchestra resonate through the palace walls, as they rose to sing *Lead Us Home* by Matthew Emery and *Garde ton rêve* by Marie-Claire Saindon.

In Alicante, famed retired violinist David Salgo of the Halle Orchestra was in the audience and had this to say:

*"The Canadian orchestra was simply superb. Close your eyes and you could honestly think you were at a concert with one of the top professional orchestras in any of the major classical music cities in the world. Every wind, brass soloist, and the commitment from every individual was just superb and a privilege to be there. At the end of Mahler 5, we were thinking: What could possibly be a suitable encore after that performance? Well, the 80 or so musicians remained standing and sang beautifully 2 pieces – there was not a dry eye in the house!"*

Les membres de NYO Canada 2019 au concert de San Lorenzo de El Escorial.*

## It All Begins with the Training...

Performances like these take great preparation, focus, and artistry. Faculty and conductor alike remarked immediately on the outstanding calibre of our 2019 musicians, who worked day and night to add to their pre-professional toolbox while simultaneously mastering complex repertoire, including Panufnik's *Sinfonia Sacra*, Mahler's Symphony no. 5, and the notoriously complex Brahms double concerto for violin and cello, as well as Manuel de Falla's *The Three Cornered Hat*, (in honour of their planned international tour to Spain).

The virtuous cycle set in motion by increased emphasis on audition outreach (which yielded a very high calibre of musician) coupled with the addition of new training elements, elevated NYO's residential, tuition-free institute experience to a level which now stands among the most elite globally. The added discipline of a highly demanding conductor was complemented by the trainings in preparedness and musician mental health we are now offering through the J&W Murphy Initiative, and we are taking the first tentative steps in adding high-performance mental focus coaching to the mental wellness offerings, with a view to propelling the Orchestra to ever-higher levels of professionalism and musicianship.

## L'Espagne : longues files, salles combles, ovations

En Europe, nos musiciens et musiciennes ont fait fureur dans le cadre de trois célèbres festivals espagnols dont le San Lorenzo de El Escorial et le Festival International de la Guitarra à Grenade, où ils ont présenté Vivaldi en compagnie du soliste Jose Miguel Moreno, *Roméo et Juliette* de Prokofiev, et *le Tricorne, suites 1 et 2* de Manuel de Falla. Au superbe palais de Charles V, la foule a formé une file dès 18 h pour un concert de 21 h et l'enthousiasme a atteint une telle effervescence que l'orchestre a reçu une ovation spontanée et deux rappels. Les publics européens ont décrit l'émotion qu'ils ont ressentie en entendant les superbes voix des membres de l'orchestre chanter « *Lead Us Home* » de Matthew Emery et « *Garde ton rêve* » de Marie-Claire Saindon, faisant vibrer les murs du palais.

À Alicante, le célèbre violoniste retraité David Salgo du *Halle Orchestra* était dans la salle et a déclaré ce qui suit :

*« L'orchestre canadien était tout simplement superbe. Il suffisait de fermer les yeux pour croire qu'on assistait à un concert de tout grand orchestre professionnel de musique classique au monde. Chaque instrument à vent, chaque soliste aux cuivres, et un tel engagement de la part de chaque personne... tout était parfait. Quel privilège d'avoir été là parmi vous. À la fin de la Cinquième de Mahler, nous nous sommes demandé : "Que serait un rappel digne de cette prestation époustouflante ?" Hé bien, imaginez qu'environ 80 musiciens sont restés debout et ont chanté deux pièces d'une voix superbe... Toute la salle avait la larme à l'œil ! »*

## Tout commence par la formation

Des prestations comme celles-là demandent beaucoup de préparation, de concentration et de sens artistique. Les enseignants et le chef d'orchestre ont immédiatement remarqué le calibre exceptionnel de notre millésime 2019, des jeunes qui ont travaillé jour et nuit pour bien remplir leur trousse d'outils préprofessionnelle tout en maîtrisant un programme des plus complexes dont la *Sinfonia Sacra* de Panufnik, la Symphonie no 5 de Mahler et le notamment complexe Double concerto de Brahms pour violon et violoncelle, ainsi que le *Tricorne* de Manuel de Falla (en l'honneur de notre tournée espagnole!).

Le cercle vertueux que nous avons mis en mouvement en accordant une attention particulière au rayonnement pour les auditions (qui nous a d'ailleurs apporté des musiciennes et musiciens de très haut calibre) et en ajoutant au programme de nouveaux éléments de formation, a élevé NYO, un institut résidentiel sans frais de scolarité, à un niveau qui lui permet maintenant de se tenir debout auprès de l'élite mondiale. La

Coaching, business skills, and mental health preparation together helped create a whole that was greater than the sum of its parts. The result was standing ovations at every venue on both sides of the Atlantic, outstanding reviews from critics, and enchanted audiences.

Because of the high calibre of the performances, we received very strong media coverage on both sides of the Atlantic, which directly impacts not only our current and future donors, but individual artists, as they seek professional employment. In the eyes of future employers, each artist's personal brand is now permanently linked with a proven, first-tier, knowledge-creating, pre-professional training organization of international stature.

They are known to have received vital skills development in self-managing their mental health, developing their mental performance skills, and conducting themselves in a professional and business-like manner. This, on top of sheer musical excellence and the networks they have built professionally with faculty, staff, and on tour, gives them a direct 'edge' in the marketplace. We are very grateful to all our donors, who have supported us so faithfully and helped us become the internationally recognized leader we are today.

discipline complémentaire imposée par un chef d'orchestre très exigeant était bien accompagnée de formations en préparation et en santé mentale des musiciens que nous offrons maintenant dans le cadre de l'initiative Murphy. De plus, nous prenons nos premiers pas timides pour ajouter à nos initiatives de bien-être mental du coaching sur la concentration mentale en vue de performances de pointe. Ainsi, nous avons pour désir de propulser l'orchestre à des sommets encore jamais vus de professionnalisme et de musicalité.

L'encadrement, les compétences commerciales et la préparation en vue de la santé mentale ont ensemble aidé à créer un tout plus vaste que la somme de ses parties. Le résultat s'est traduit en ovations dans chaque salle des deux côtés de l'Atlantique, en critiques élogieuses et en publics enchantés. Tout ceci présente une autre année remarquable en 2020.

Le calibre incroyable des prestations nous a valu une présence marquée dans les médias ici et en Europe. Cette présence porte un impact sur nos donateurs actuels et futurs, mais aussi sur nos artistes à la recherche d'emploi professionnels. Aux yeux des employeurs futurs, la marque personnelle de chaque musicienne et chaque musicien est maintenant liée à jamais à un organisme de formation préprofessionnelle de premier rang qui a fait ses preuves et qui s'est forgé une renommée internationale.

Ces jeunes seront considérés comme ayant reçu une formation essentielle pour la gestion de leur propre santé mentale, pour apprendre à perfectionner leurs compétences en matière de performance mentale et pour se conduire de façon professionnelle et sérieuse. Tout cela en plus de l'excellence musicale la plus pure, des réseaux professionnels qu'ils se sont bâtis avec les enseignants, avec le personnel, et en tournée. Nos étudiants ont décidément un atout dans le marché. Nous sommes très reconnaissants à l'égard de nos donateurs qui nous appuient fidèlement et qui nous ont aidé à devenir le chef de file de renommée mondiale que nous sommes maintenant.

# JARED MILLER

2019 SOCAN EMERGING COMPOSER | COMPOSITEUR EN ÉMERGENCE SOCAN 2019

A new partnership with The SOCAN Foundation/NYO Emerging Composers' Mentorship Program inaugurates a special awards program for young composers. The annual competition, designed to recognize Canadian composers who are 30 years of age or under, provides an opportunity for young composers to attend an NYO rehearsal reading of their orchestral composition, and have the opportunity for their work to be performed in concert halls across the world.

The inaugural recipient is Canadian-American composer Jared Miller. Miller's music has been described as "playful" (New York Times), "hypnotic" (Sequenza 21), "phantasmagorical" (Lucid Culture) and "highly personal" (CBC Radio.) At age 26, he has already worked with North American ensembles and internationally, including the Toronto Symphony Orchestra, the Kitchener-Waterloo Symphony, the Juilliard Orchestra, the Contemporary Youth Orchestra, Latitude 49 Ensemble and the New York City Ballet's Choreographic Institute.

Raised in Vancouver, Miller completed his undergraduate studies at the University of British Columbia and is currently a C.V. Starr Doctoral Fellow at the Juilliard School.

FONDATION  
**SOCAN**  
FOUNDATION

Un nouveau partenariat entre la Fondation SOCAN et le programme de mentorat de compositeurs en émergence de NYO lance pour la première fois un programme de prix spéciaux pour jeunes compositeurs. Le concours annuel, dont le but est de reconnaître les compositrices et compositeurs canadiens de 30 ans ou moins, donne à ces jeunes compositeurs l'occasion d'assister à une lecture en répétition par NYO de leur composition orchestrale et d'avoir l'occasion d'entendre leur pièce présentée dans des salles de concert à l'échelle mondiale.

Le premier gagnant de ce programme est le compositeur canado-américain Jared Miller. Sa musique a été décrite comme étant « enjouée » (*New York Times*), « hypnotique » (*Sequenza 21*), « fantasmagorique » (*Lucid Culture*) et « très personnelle » (*CBC Radio*). À 26 ans seulement, M. Miller a déjà travaillé auprès d'ensembles nord-américains et à l'échelle internationale, dont le *Toronto Symphony Orchestra*, le *Kitchener-Waterloo Symphony*, le *Juilliard Orchestra*, le *Contemporary Youth Orchestra*, *Latitude 49 Ensemble* et le *Choreographic Institute* du *New York City Ballet*.

Ayant grandi à Vancouver, M. Miller a achevé son premier cycle universitaire à l'*University of British Columbia* et est actuellement *Doctoral Fellow C.V. Starr* à la *Juilliard School*.

# MARIE-CLAIREE SAINDON

## CHORAL MUSIC COMPOSER | COMPOSITEUR DE MUSIQUE CHORALE

Marie-Claire Saindon is a Franco-Ontarian composer based in Montréal. She began her creative journey in high school, where she wrote and produced her first musical, *Jeanne* (Joan of Arc). Bitten by the creative bug, she began to participate in many collaborations, from choral pieces, to scoring shortfilms and full documentaries, to accompanying dancers, to fiddling in a team of folk musicians on a historical steam train. She sang in the award-winning female vocal ensemble Concerto Della Donna, led by acclaimed choral director Iwan Edwards.

Ms. Saindon holds a BMus: Composition from the Schulich School of Music (McGill) and an MMus: Composition - Film and Multimedia music from Université de Montréal.

Winner of the SOCAN Young Composers' National Awards in the vocal category (2013), the Gregg Smith National Choral Composition Contest (2015), the Canadian Choral Composition Competition hosted by Chor Leoni (2018), the Ruth Watson Henderson Choral Composition Competition (2018), the inaugural Eastern Horizon Composition Competition (2018) and the Hong Kong Children's Choir 50th Anniversary Composition Competition (2018), her choral works are published with Boosey & Hawkes and Cypress Choral Music.

Ms. Saindon currently scores films, composes choral commissions, and is composer-in-residence for the Montreal female vocal ensemble Adleisia.

Her piece, *Terre-Neuve*, is featured on the NYO Canada 2018 *Migrations* recording.

Marie-Claire Saindon est compositrice franco-ontarienne qui habite à Montréal. Elle a entrepris son parcours créatif à l'école secondaire, où elle a composé et mis en scène sa première comédie musicale, *Jeanne* (Jeanne d'Arc). Passionnée par la création, elle a participé à une grande variété de projets collaboratifs, dont la composition de pièces chorales, de bandes sonores pour courts métrages et documentaires, et de trames pour danses modernes - tout en participant à une équipe de musiciens folkloriques dans un train à vapeur historique. Elle a chanté au sein de l'ensemble vocal féminin primé *Concerto Della Donna* dirigé par le chef de chorale de renom Iwan Edwards.

Mme Saindon est titulaire d'un baccalauréat en composition de l'École de musique Schulich (McGill, 2007) et d'une maîtrise en composition - Musique cinématographique et multimédia de l'Université de Montréal (2010).

# JANELLE JOHNSTON

NYO CANADA COMMISSIONED ARTIST | ARTISTE MANDATÉE PAR NYO CANADA

Janelle Johnston is a freelance artist born and raised in Regina, Saskatchewan. She aspires to create artwork that illuminates colour, texture and imagination. Janelle was drawn to the visual arts with a yearning to create “a physical something out of almost nothing”. She specializes in alcohol inks which is a relatively new phenomenon in the art world. The organic and natural flow of alcohol inks is unlike any other medium. “You learn a great deal about yourself when you discover that in order to create with this medium, you truly need to let go. They hate being controlled and their beauty shines the most when they are not. This provides you with the permission and freedom to create with them.” Janelle currently helps moderate an alcohol ink arts Facebook page, leads mini workshops in the city of Regina, develops video tutorials to assist with teaching and educating about alcohol inks. NYO Canada, for the second year, has commissioned Janelle to brand their promotional materials for their 2019 *Odyssey* tour. You can find Janelle’s Gallery on Facebook or Instagram at Abstract Living By Janelle.

Janelle Johnston est une artiste native de Régina, en Saskatchewan. Elle cherche à créer des œuvres qui illuminent les couleurs, les textures et l'imagination. Janelle a toujours été attirée par les arts visuels, animée par un désir de créer « quelque chose de physique à partir de presque rien ». Elle se spécialise en encre à base d'alcool, un phénomène assez récent dans le domaine des arts. La fluidité organique et naturelle des encres à base d'alcool les distingue de tout autre médium. « On apprend beaucoup au sujet de soi-même en découvrant que, pour créer avec ce médium, il faut vraiment se laisser aller. L'encre à base d'alcool déteste se faire contrôler et sa beauté reluit vraiment lorsqu'il ne l'est pas. Ceci nous donne la permission et la liberté nécessaire pour créer ». Janelle est actuellement modératrice d'une page Facebook sur les arts d'encre à base d'alcool et enseigne ce médium dans la ville de Régina. NYO Canada, pour la deuxième année consécutive, a commandé des œuvres auprès d'elle, pour son matériel promotionnel de la tournée Odyssée 2019. Vous pouvez voir la galerie de Janelle sur Facebook ou Instagram sous *Abstract Living by Janelle*.

# **THAT HIGHER LEVEL / LE PLUS HAUT NIVEAU**

## **A FEATURE LENGTH DOCUMENTARY FILM | UN LONG MÉTRAGE DOCUMENTAIRE**

This year saw NYO tour in a different way, as our film *That Higher Level* premiered in festivals across Canada. It received a particularly warm reception in Vancouver, where it screened as part of VIFF, and in Victoria, the hometown of the film's writer/director John Bolton. The film chronicles our epic 2017 tour of Canada.

On Dec 11th, 2019, the film premiered on The National Film Board's website, where it can be watched now, as well as on our own website.

Cette année, NYO a tourné de façon toute différente : notre long métrage *Le plus haut niveau* a été présenté dans le cadre de divers festivals au Canada. Il a reçu un accueil particulièrement chaleureux à Vancouver, où il a été projeté dans le cadre du VIFF, et ainsi qu'à Victoria, la ville natale du scénariste/metteur en scène John Bolton. Le film relate notre fabuleuse tournée canadienne de 2017.

Le 11 décembre 2019, le film a été présenté en première sur site Web de l'Office national du film où vous pouvez maintenant le regarder, ainsi que sur notre site Web.

## **THE J&W MURPHY INITIATIVE FOR MENTAL HEALTH**

## **L'INITIATIVE J&W MURPHY POUR LA SANTÉ MENTALE**

Building on our outstanding inaugural success last year, the second year of our three-year pilot saw our program in gifted musician mental health and wellness take firm root at the heart of our training program.

This year, we also piloted a second component of the program. We offered free private mental performance skills lessons in English and French with coaches Carolyn Christie, Julien Colette-Cousineau, and interns from the University of Ottawa coaching program. This new type of training was designed to boost performance excellence, improve practice planning and skill retention, and help solve challenges like uncertain confidence, losing focus under pressure, and dealing with stress. These new elements built naturally on the program introduced last year in partnership with the Al & Malka Green Artists' Health Centre at Toronto Western Hospital and Musicians' Clinics of Canada.

Addressing health and wellness, (a key issue for gifted musicians, who are three times more likely than non-musicians to experience anxiety and depression) has propelled us onto the world stage in unexpected ways, as we were invited this year to present at conferences in Bucharest and Paris.

Tirant parti du succès initial de l'an dernier, la deuxième année de notre projet pilote de trois ans a vu le programme axé sur la santé et le bien-être mentaux des musiciens doués prendre confortablement sa place dans notre programme de formation.

Cette année, nous avons aussi lancé en projet pilote un deuxième volet du programme. Nous avons offert des cours particuliers sur les aptitudes de performance mentale, en anglais et en français, avec Carolyn Christie, Julien Colette-Cousineau et des internes du programme de coaching de l'Université d'Ottawa. Ce nouveau type de formation a été conçu pour favoriser l'excellence des prestations, la planification des répétitions et le maintien des compétences, en plus d'aider les élèves à relever les défis liés au manque de confiance en soi, aux pertes de concentration sous pression et au stress. Ces nouveaux éléments se sont ajoutés tout naturellement au programme présenté l'an dernier dans le cadre d'un partenariat avec l'*Al & Malka Green Artist Health Centre de Toronto Western* et la *Musicians' Clinics of Canada*.

Nous pencher sur la santé et le bien-être mentaux, des enjeux-clés pour les musiciens et musiciennes doués qui sont trois fois plus susceptibles que les non-musiciens de vivre l'expérience de l'anxiété et de la dépression, nous a propulsés sur la scène mondiale de façons inattendues. Nous avons été invités à nous présenter dans le cadre de congrès à Bucarest et à Paris.

## INDEPENDENT AUDITOR'S REPORT

---

To the Members of The National Youth Orchestra Association of Canada

*Qualified Opinion*

We have audited the financial statements of The National Youth Orchestra Association of Canada (the "Organization"), which comprise the statement of financial position as at October 31, 2019, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at October 31, 2019, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

*Basis for Qualified Opinion*

In common with many charitable organizations, the Organization derives revenues from contributions, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Organization. Therefore, we were not able to determine whether any adjustments might be necessary to revenues, excess (deficiency) of revenues over expenses, and cash flows from operations for the year ended October 31, 2019, and current assets and net assets as at October 31, 2019 and November 1, 2018.

*Other Matter*

The financial statements for the year ended October 31, 2018 were audited by another auditor who expressed a modified opinion on those financial statements, for the reason noted under the *Basis for Qualified Opinion* section, on January 31, 2019.

*Responsibilities of Management and Those Charged with Governance for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Independent Auditor's Report to the Members of The National Youth Orchestra Association of Canada *(continued)*

*Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Notes to Financial Statements

Year Ended October 31, 2019

---

### 1. NATURE AND PURPOSE OF THE ORGANIZATION

The National Youth Orchestra Association of Canada (the "Organization") is incorporated as a not-for-profit organization without share capital under the Canadian Not-for-profit Corporations Act. The Organization is exempt from income tax in Canada as a registered charitable organization under the Income Tax Act (Canada).

The Organization is primarily a training body dedicated to perfecting the skills and talents of the best young Canadian musicians for careers as professional orchestral players, through short but intensive high-level summer session programs. The performing and touring function of the orchestra remains a vital and integral part of a broader professional instruction program.

---

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements are the representation of management and have been prepared in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO") in Part III of the CPA Canada Handbook and include the following significant accounting policies.

#### Revenue recognition

The Organization follows the deferral method of accounting for restricted contributions. Restricted contributions, including government funding and contributions, are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Concert and other revenues are recognized as revenue when earned.

Rental income is recognized as revenue in the fiscal year to which it relates.

Students are admitted to the National Youth Orchestra of Canada following successful completion of an audition process. All students pay an application fee to be eligible to audition for the orchestra. The application fees are recognized in revenue in the audition period to which it relates.

Students accepted to the orchestra pay a fee and provide a deposit held on account of the student during the program. Penalties may be applied to a student for contravention of orchestra policies and this amount is taken from the deposit and recorded in revenue. The balance of the deposit is returned to the students at the end of the session.

Investment income is recognized when earned. Realized and unrealized gains and losses are recognized as investment income when they arise.

#### Donated goods and services

Donated goods and services, which are not normally purchased by the Organization, are not recorded in the accounts.

The operations of the Organization depend on the contribution of time by volunteers, the fair value of which cannot be reasonably determined and are, therefore, not reflected in these financial statements.

#### Scholarships and awards

Scholarships and awards are recorded in the fiscal year that the student participated in the orchestra.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

#### Contributions to Ontario Arts Foundation

Contributions to Ontario Arts Foundation are recorded when approved by the Board of Directors.

#### Prepaid expenses

Prepaid expenses are recorded for goods and services that have been paid for but which will be received the following year. The balance at year end is composed primarily of costs prepaid for a tour that occurred after year-end, as well as the last month's rent deposit, and prepaid insurance, travel, and other service contracts.

#### Capital assets

Capital assets are recorded at cost less accumulated amortization. They are amortized on a straight-line basis over their estimated useful lives as follows:

Musical instruments	5 years
Website	3 years
Computer equipment	3 years

#### Financial instruments

The Organization's financial instruments consist of cash, short-term investments, accounts receivable, and accounts payable.

All financial instruments are initially measured at fair value, and subsequently, at amortized cost, with the exception of the short-term investments, which are measured at fair value. Changes in fair value are recognized in the statement of operations.

#### Foreign currency translation

Accounts in foreign currencies have been translated into Canadian dollars using the temporal method. Under this method, monetary assets and liabilities have been translated at the year end exchange rate. Non-monetary assets have been translated at the rate of exchange prevailing at the date of transaction. Revenues and expenses have been translated at the average rates of exchange during the year.

Foreign exchange gains and losses on monetary assets and liabilities are included in the determination of earnings.

#### Use of estimates

The preparation of financial statements in conformity with ASNPO requires management to make estimates and assumptions that affect the reported amount of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Such estimates are reviewed periodically and any adjustments are reported in the year in which they become known. Actual results could differ from these estimates.

---

### 3. SHORT-TERM INVESTMENTS

Short-term investments are composed of Canadian money market mutual funds issued by major Canadian chartered banks and brokerage firms.

The funds held in trust are administered by the OAF in a separate trust fund. The OAF funds are not reflected in these financial statements.

In 2019, the Board of Directors approved contributions to the Arts Endowment Fund of \$51,660 (2018 - \$156,000). ### 11. FINANCIAL INSTRUMENTS

Financial instruments expose the Organization to risks which may affect the cash flows of the Organization. The following are those financial instruments considered particularly significant and their related financial risks:

#### Credit risk

The Organization is exposed to credit risk arising from accounts receivable, which is the risk that a counter-party will fail to perform its obligations. Accounts receivable are regularly monitored to minimize credit risk from uncollected revenue. The Organization's losses from credit have been minimal.

#### Currency risk

Currency risk is the risk to the Organization's earnings that arise from fluctuations of foreign exchange rates and the degree of volatility of these rates. The Organization received the EU Policy and Outreach Partnership in Canada tour fees in euros (*Note 6*), which were translated to, and recorded in, Canadian dollars on the date received. The Organization does not use derivative instruments to reduce its exposure to foreign currency risk.

#### Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in market interest rates. The Organization is subject to interest rate risk on its short-term investments. Fluctuations in market interest rates are not expected to significantly affect the Organization's cash flows.

It is management's opinion that the Organization is not exposed to significant liquidity or other price risks arising from its financial instruments.
