UN MESSAGE DU PRÉSIDENT DU CONSEIL A MESSAGE FROM THE CHAIR OF THE BOARD

Few would have doubted that 2022 would be challenging. The pandemic continued to hover, and we straddled between the “tried and true” of life before Covid and the imperative, in a time of ambiguity, to innovate quickly and thoughtfully to, not only survive Covid, but to build NYO Canada for the future.

In the absence of certainty, yes, we did innovate. We did find new and better ways to serve our students and our audiences. And, I’m delighted to say that, a year later, reflecting our renewed confidence, we are well into preparations for a full tour of Eastern Canada in 2023.

In many ways, 2022 provided a fresh start for NYO Canada student learning. We pioneered online learning and created our own ‘hybrid’ model. When our traditional venue at Wilfred Laurier Faculty of Music closed for renovations, we developed an exciting new partnership with Queen’s University in Kingston, Ontario, including use of the magnificent Isabel Bader Centre for the Performing Arts.

Many deserve thanks for helping us through this period. Our board remained determined and optimistic. We never lost sight of NYO Canada’s larger vision and, as we worked with senior management, remained confident that we would overcome.

Perhaps most moving for me is the steadfast support from our donors. The financial support and the encouragement meant so much. We will never forget your support and, I’m confident in saying that, because of your support, NYO Canada is today stronger than ever.

We are grateful to our now retired CEO Barbara Smith, who expertly steered the ship over 20 years. We thank Barbara and commend her for leaving a strong and vital NYO Canada for our new CEO Christie Gray.

Christie joins us from an impressive career at Sistema Toronto. With Christie at the helm, we have a terrific opportunity to take our energized 63-year-old organization, with an outstanding staff and faculty, and an endowment exceeding \$4.5 million, into an exciting future.

Thanks for your continued interest in, and support of, NYO Canada.

More great days are ahead.

Kevin Latimer, QC
Chair, NYO Canada Board of Directors
Président, conseil d’administration NYO Canada

Nous savions tous que l’année 2022 serait difficile. La pandémie continuait de planer, et nous nous trouvions entre deux réalités : celle de la vie avant la COVID et celle d’un besoin incontournable, en cette période d’ambiguité, d’innover rapidement et de manière réfléchie, non seulement pour survivre à la COVID, mais aussi pour bâtir NYO Canada en vue de l’avenir.

En l’absence de certitude, oui, nous avons innové. Nous avons trouvé de nouvelles et de meilleures façons de servir nos étudiants et notre public. Et je suis ravi de vous dire qu’un an plus tard, nous sommes restés fidèles à notre confiance renouvelée : les préparatifs d’une tournée complète de l’est du Canada en 2023 sont presque achevés.

À bien des égards, l’année 2022 a constitué un nouveau départ pour l’apprentissage des élèves de NYO Canada. Nous avons été pionniers de l’apprentissage en ligne et avons créé notre propre modèle « hybride ». Lorsque notre point de rencontre traditionnel, la faculté de musique de l’Université Wilfred-Laurier, a été fermé pour des rénovations, nous avons forgé un nouveau partenariat emballant avec l’Université Queen’s à Kingston, en Ontario, incluant l’utilisation du magnifique *Isabel Bader Centre for the Performing Arts*.

Beaucoup de gens nous ont aidés durant cette période, et notre gratitude à leur égard est immense. Notre conseil est resté déterminé et optimiste. Nous n’avons jamais perdu de vue la vision globale de NYO Canada et, en travaillant avec la haute direction, notre confiance en la réussite n’a jamais vacillé.

Ce qui m’a probablement le plus touché, c’est le soutien indéfectible de nos donateurs. Leur soutien financier et leur encouragement ont été éloquents. Nous ne l’oublierons jamais. Je peux dire sans détour que grâce à votre soutien, NYO Canada est aujourd’hui plus fort que jamais.

Nous sommes remplis de reconnaissance à l’égard de notre PDG, Barbara Smith, désormais à la retraite, qui a guidé le navire de main de maître pendant 20 ans. Elle laisse à notre nouvelle PDG Christie Gray un orchestre fort et vivant.

Christie se joint à nous après une carrière impressionnante chez Sistema Canada. Avec Christie à la barre, nous avons une occasion inégalée de mener notre organisme plus que sexagénaire (et pourtant robuste et énergique, doté de personnel et d’enseignants exceptionnels et d’une dotation de plus de 4,5 millions de dollars) vers un avenir brillant.

Je vous remercie de votre intérêt et de votre soutien continu à NYO Canada.

De grands jours s’annoncent.

UN MESSAGE DE LA PRÉSIDENTE ET CHEF DE LA DIRECTION A MESSAGE FROM THE PRESIDENT AND CEO

Our return to in-person training and performances marked the beginning of a whole new chapter for NYO, combining the best of our cherished NYO traditions with the ‘new world’ of online and distance learning. Despite pandemic uncertainty, we were still able to maintain the high-quality training and performances for which we have become internationally recognized.

On June 19th, 2022, 82 musicians, 48 faculty, 9 staff, plus visiting artists, workshop leaders and commissioned composers converged at Queen’s University to rehearse complex repertoire under the baton of our new musical director, Maestro Sascha Goetzel. Following a rigorous and exciting 4-week intensive training institute, the orchestra performed in Toronto, Ottawa, Kingston, Quebec City and Montreal – the first tour in several years, and a welcome return to live performances. It was wonderful for us all to be together again, to enjoy the beautiful Queen’s campus as an orchestra, rehearsing and performing in the magnificent state-of-the-art Isabel Bader Centre for the Performing Arts, and to see the friends and supporters we have missed so much.

It was especially poignant for me as the outgoing CEO as I bid farewell, embarking on my own next chapter as I retire from NYO after 20 years. I will never forget the incredible adventures we’ve all shared together, travelling the world, bringing emotionally moving performances to people from all walks of life, growing to become Canada’s leading professional training program, and experiencing the unique alchemy which happens when extraordinary music educators and our nation’s most gifted young artists converge during the training session.

Heartfelt thanks to all the board members, donors, staff, students and friends who have supported me and supported NYO Canada over more than 6 decades. It is with utter confidence that I hand the reins of the organization we have all worked so hard to build to Christie Gray, NYO’s new CEO. Christie is a visionary leader, and I am confident that she will take NYO in a new and exciting direction.

Notre retour aux formations et aux prestations en personne a marqué le début d'un tout nouveau chapitre pour NYOC, associant le meilleur des traditions qui lui sont chères et ce « nouveau monde » de l'apprentissage en ligne et à distance. Malgré l'incertitude liée à la pandémie, nous avons été en mesure de continuer de fournir la formation et les prestations de haute qualité qui ont forgé notre réputation stellaire à l'échelle internationale.

Le 19 juin 2022, 82 musiciens, 48 membres du corps enseignant, 9 membres du personnel, ainsi que des artistes invités, des animateurs d’ateliers et des compositeurs commandités, ont convergé vers l’université Queen’s pour répéter un répertoire complexe sous la direction de notre nouveau directeur musical, le maestro Sascha Goetzel. Après un institut de formation intensive de quatre semaines où rigueur et passion se sont côtoyées, l’orchestre s’est produit à Toronto, Ottawa, Kingston, Québec et Montréal. Il s’agissait de sa première tournée depuis plusieurs années et d’un retour longtemps attendu aux représentations en personne. Quelle joie pour nous tous de nous rassembler de nouveau, de profiter du magnifique campus de Queen’s en tant qu’orchestre, de répéter et de nous produire au magnifique et ultramoderne *Isabel Bader Centre for the Performing Arts* et de revoir nos amis et supporteurs qui nous ont tant manqué.

L’expérience a été particulièrement émouvante pour moi en tant que présidente-directrice générale sortante : j’ai dû faire mes adieux et entamer mon propre nouveau chapitre en prenant ma retraite de NYOC après 20 ans. Je n’oublierai jamais les incroyables aventures que nous avons vécues ensemble, en parcourant le monde, en présentant des concerts émouvants à des gens de tous les horizons, en voyant l’orchestre devenir le principal programme de formation professionnelle au Canada et en vivant l’alchimie toute particulière qui se produit lorsque des éducateurs musicaux extraordinaires et de jeunes artistes, parmi les plus doués au pays, se rassemblent en séance de formation.

Je remercie sincèrement tous les membres du conseil d’administration, les donateurs, le personnel, les étudiants et les amis qui m’ont soutenu et qui ont appuyé NYOC pendant plus de six décennies. C'est avec une confiance absolue que je confie à Christie Gray la direction de cet organisme que nous avons tous travaillé si dur à construire. Christie sera la nouvelle chef de la direction de NYOC. Christie est un leader visionnaire, et je suis convaincue qu’elle mènera NYOC dans une nouvelle direction passionnante.

UN MESSAGE DE LA CHEF DE LA DIRECTION ENTRANTE A MESSAGE FROM THE INCOMING CEO

It is my honour and privilege to join the team at NYO this year, and lead Canada's foremost youth training orchestra. The history and legacy of this organization is monumental, and I carry the responsibility of stewarding its heritage with solemnity and respect. I'm very much looking forward to working with staff, the Board, faculty, and the inspiring young musicians to carry out Barbara's impressive legacy.

Looking to the future, I see an incredible potential to engage under-represented groups in all aspects of our work. NYO is well positioned to be a leader in inspiring greater diversity and removing barriers, and I look forward to sharing news about new initiatives and programs to expand NYO's commitment to diversity, equity, and inclusion.

As we emerge from a destructive three years of pandemic measures, shrinking audiences, and concert hall closures, and examine the toll those years have taken on the performing arts world, I recognize the work required in preparing emerging musicians for the changing landscape of a performance career. A strengthened focus on mental health supports, building comprehensive professional skills and extended virtual offerings throughout the year will be in the forefront of our minds as we work to support our young people and their visions for their future.

NYO is uplifted by an inspiring community of donors, Board members, staff and faculty who make our work with emerging musicians possible. I look forward to getting to know each and every member of the NYO community in the coming year, and building our vision for NYO's future together.

As we move into 2023, I know that NYO will continue to shine, a star within the constellation of Canada's cultural institutions. Together with your support, we will lift up, inspire and empower our emerging musicians in their journey to lead us forward into the future of music performance in Canada. They could not do it without you.

Quel honneur et quel privilège pour moi de me joindre à l'équipe de NYOC cette année et de diriger le principal orchestre de formation des jeunes du Canada. L'histoire et l'héritage de l'organisme sont monumentaux, et je porte la responsabilité de gérer son patrimoine avec doigté et respect. Je me réjouis de travailler avec le personnel, le conseil d'administration, le corps enseignant et de jeunes musiciennes et musiciens inspirés pour perpétuer l'impressionnant héritage de Barbara.

Pour ce qui est de l'avenir, je perçois un potentiel incroyable pour faire participer des groupes sous-représentés à tous les aspects de notre travail. NYOC est bien placé pour être un chef de file en inspirant une plus grande diversité et l'élimination des barrières. Je suis impatiente de vous parler de nouvelles initiatives et de nouveaux programmes visant à étendre l'engagement de NYOC sur les plans de la diversité, de l'équité et de l'inclusion.

Alors que nous sortons d'une difficile période de trois ans marquée par des mesures de lutte contre la pandémie, la diminution du public et la fermeture de salles de concert, et que nous examinons les conséquences de ces années sur le monde des arts de la scène, je reconnais le travail qui sera nécessaire pour préparer les musiciens émergents au paysage changeant de leur carrière. Un accent renforcé sur le soutien à la santé mentale, le perfectionnement de compétences professionnelles complètes et des offres virtuelles étendues tout au long de l'année seront au premier plan alors que nous nous efforçons d'appuyer nos jeunes et leur vision pour l'avenir.

NYOC est appuyé par une communauté inspirante de donateurs, de membres du conseil d'administration, de membres du personnel et de professeurs qui rendent possible notre travail auprès des musiciennes et musiciens émergents. Je me réjouis d'apprendre à connaître chaque membre de la communauté de NYOC au cours de l'année à venir, et de concrétiser ensemble notre vision de NYOC.

À l'aube de 2023, je sais que NYOC continuera de briller, telle une étoile dans la constellation des institutions culturelles du Canada. Avec votre soutien, nous appuierons, inspirerons et habiliterons nos musiciens émergents dans leur parcours pour nous mener vers l'avenir de l'interprétation musicale au Canada. Après tout, ils ne pourraient pas le faire sans vous.

À PROPOS DE NYO CANADA ABOUT NYO CANADA

NYO Canada (National Youth Orchestra of Canada) is the nation's elite orchestral training institute dedicated to the identification and training of young classical musicians 16 to 28. Through a rigorous blind audition process, the most talented emerging musicians from across the country compete to participate in a comprehensive, tuition-free, world-leading pre-professional program, culminating in a national and/or international tour which takes them to some of the most magnificent concert venues in the world.

The program begins as early as November with online masterclasses, workshops covering topics from peak performance to business skills, and private mental health support. In late June, the orchestra comes together at Queen's University in Kingston for 5 weeks of training under the leadership of our world-class faculty and conductor, before they leave on tour as youth ambassadors for Canada. Thanks to generous donors, each student receives a \$1,500 scholarship to cover expenses and has the opportunity to receive a \$5,000 Award of Excellence.

Over its 63 years, NYO Canada has evolved into an internationally acclaimed program for young orchestral musicians and is now one of the elite youth orchestras in the world with our alumni forming the core of major Canadian and international orchestras.

NYO Canada (l'Orchestre national des jeunes du Canada) est l'institution de formation orchestrale du pays, dont la tâche est de cerner et de former de jeunes musiciens classiques de 16 à 28 ans. Dans le cadre d'un rigoureux processus d'auditions à l'aveugle, les musiciennes et musiciens émergents les plus doués du pays s'affrontent afin d'avoir la chance de participer à un programme préprofessionnel complet de renommée mondiale, sans frais de scolarité, normalement couronné par une tournée nationale et/ou internationale qui les mène vers certaines des salles de concert les plus magnifiques du monde.

Le programme s'amorce aussi tôt qu'en novembre avec des ateliers et cours de maître en ligne, ainsi que de la formation sur la concentration de pointe, sur la santé mentale des musiciens et sur les aptitudes commerciales. À la fin juin, l'orchestre se rassemble à l'université Queen's pour vivre cinq semaines de formation, sous la direction d'enseignants et d'un chef d'orchestre de renommée mondiale, avant de partir en tournée à titre de jeunes ambassadeurs du Canada. Grâce à nos généreux donateurs, chaque étudiant reçoit une bourse de 1 500 \$ pour couvrir ses dépenses. De plus, les étudiants ont l'opportunité de remporter des prix d'excellence additionnels de 5 000 \$ chacun.

Au cours de ses 63 ans, NYO est devenu un incubateur de renommée internationale pour les jeunes musiciens d'orchestre et est maintenant l'un des orchestres de jeunes d'élite au monde. Les anciens de NYO Canada forment une grande partie des orchestres canadiens et internationaux.

L'INITIATIVE J&W MURPHY POUR LA SANTÉ MENTALE THE J&W MURPHY INITIATIVE FOR MENTAL HEALTH

*First meeting at Queen's University
Première rencontre à l'université Queen's*

A continued commitment to mental health and wellness.

Four years ago, Lisa Murphy, Karen Spaulding, and the J & W Murphy Foundation joined forces with NYO Canada to create a world-first: a mental health and wellness program for musicians. In partnership with Musicians' Clinics of Canada and the Al & Malka Green Artists' Health Centre at Toronto Western Hospital, we developed a series of mental health resources including high-performance coaching, audition preparation, performance psychology and mindfulness. With the pandemic in full-swing by summer 2020, we added new workshops on change and loss as it relates to COVID-19 and skills in coping with self-isolation, anxiety, and loneliness. We are delighted that the J & W Murphy Foundation agreed in 2020 to continue to work with us, with a \$225,000 commitment over three years.

Thanks to their continued support, our program has expanded to include in-person and online psychotherapy sessions with a diverse panel of meditation podcasts, new workshops, goal setting and life coaching opportunities. As young musicians reemerge from the pandemic, providing an essential lifeline to prosper and grow is even more critical than ever.

Together, we are creating a permanent, steady-state, comprehensive program with intersecting pillars in high performance, self-mastery, and mental wellness. We are extraordinarily grateful to the J & W Murphy Foundation for this visionary support.

Un engagement permanent à l'égard de la santé mentale et du bien-être

Il y a quatre ans déjà, Lisa Murphy, Karen Spaulding, ainsi que la *J & W Murphy Foundation* ont uni leurs forces avec NYO Canada pour créer un programme unique de santé mentale pour musiciens. Nous avons développé, en partenariat avec la *Musicians Clinics of Canada* et le *Al & Malka Green Artists' Health Centre* du *Toronto Western Hospital*, une série de ressources en santé mentale incluant de l'encadrement de haute performance, des ateliers de préparation d'auditions, de psychologie de performance et de pleine conscience. En pleine pandémie en 2020, nous avons ajouté de nouveaux ateliers couvrant des sujets reliés à la COVID-19 afin d'offrir des outils pour faire face à l'isolation et l'anxiété. Nous sommes ravis que la *J & W Murphy Foundation* ait accepté, en 2020, de continuer de nous accompagner en s'engageant à verser 225 000 \$ au cours des trois années qui viennent.

Grâce à son soutien nous avons pu développer notre programme davantage en offrant des séances de psychothérapie, méditations et de nouveaux ateliers sur la motivation, comment établir des objectifs, et le dépassement de soi. Alors que les jeunes musiciens sortent de la pandémie, ce service est essentiel.

Ensemble, nous créons un programme permanent, stable et complet, assorti de fondations interreliées en performance de pointe, en maîtrise de soi et en santé mentale. Nous sommes extrêmement reconnaissants à l'égard de la *J & W Murphy Foundation* pour son soutien visionnaire.

KATERINA GIMON

COMPOSITRICE EN ÉMERGENCE SOCAN 2022

2022 SOCAN EMERGING COMPOSER

Composer, improviser and vocalist Katerina Gimon's uniquely dynamic, poignant, and eclectic compositional style is rapidly gaining her a reputation as a distinctive voice in contemporary Canadian composition and beyond. Her music has been described as "sheer radiance" (*Campbell River Mirror*), "imbued...with human emotion" (*San Diego Story*), and capable of taking listeners on a "fascinating journey of textural discovery" (*Ludwig Van*), earning her several honours including two SOCAN Awards (2015, 2021), nomination for Western Canadian Composer of the Year (2021), and inclusion on the CBC's list of Canada's "hot 30 classical musicians under 30" (2017).

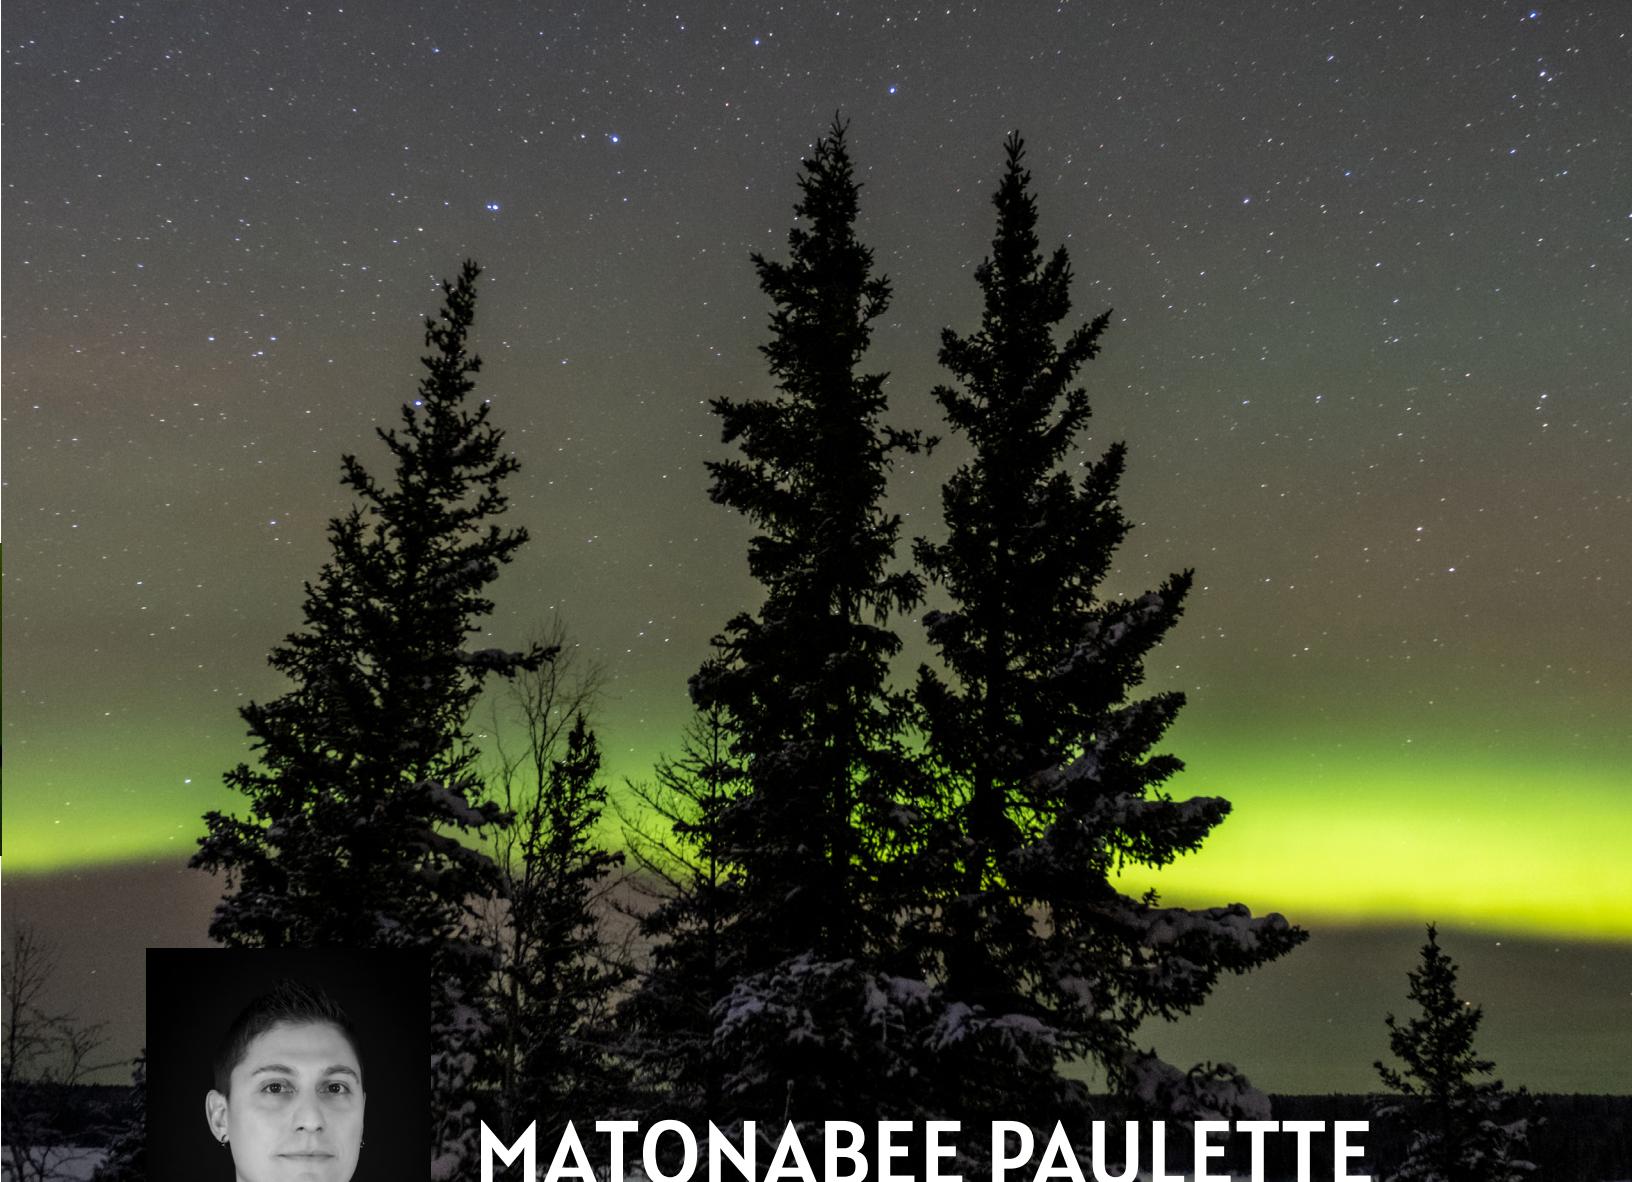

Katerina's music draws influence from a myriad of places — from Eastern European folk music to indie rock, as well as from her roots as a songwriter. Her compositions have been performed widely across Canada, the United States, and internationally, including at Carnegie Hall, Orpheum Theatre, and the Hong Kong Cultural Centre. Recent commissions include new music for the Vancouver Symphony Orchestra, the University of Montana, the Hamilton Children's Choir, and the Orpheus Choir of Toronto. Katerina is the composer-in-residence for female vocal ensemble Myriad and is currently based in Vancouver, British Columbia, Canada.

Katerina Gimon's piece *Ice Forms* was her submission to the Socan Foundation and it blew the jury and NYO Canada completely away!

Compositrice, improvisatrice et chanteuse, Katerina Gimon présente un style de composition unique, dynamique, poignant et éclectique qui lui vaut une réputation de voix distincte dans la composition contemporaine au Canada et au-delà. Sa musique a été qualifiée de « *pure radiance* » (*Campbell River Mirror*), « imprégnée... d'émotion humaine » (*San Diego Story*) et en mesure de transporter les auditeurs dans un « fascinant voyage de découverte texturale » (*Ludwig Van*), lui valant plusieurs honneurs, dont deux prix de la SOCAN (2015, 2021), une nomination au titre de compositrice de l'année de l'Ouest canadien (2021) et une inclusion dans la liste de la CBC des « 30 musiciens classiques les plus en vue de moins de 30 ans » (2017).

La musique de Katerina s'inspire d'une myriade d'endroits – de la musique folklorique d'Europe de l'Est au rock indépendant, ainsi que de ses racines en tant qu'auteur-compositeur. Ses compositions ont été jouées partout au Canada, aux États-Unis et à l'étranger, notamment au *Carnegie Hall*, à l'*Orpheum Theatre* et au *Hong Kong Cultural Centre*. Parmi ses commandes récentes, citons de nouvelles musiques pour le *Vancouver Symphony Orchestra*, l'université du Montana, le *Hamilton Children's Choir* et l'*Orpheus Choir* de Toronto. Katerina est compositrice en résidence de l'ensemble vocal féminin *Myriad* et est actuellement établie à Vancouver, en Colombie-Britannique, au Canada.

La pièce *Ice Forms* de Katerina Gimon était sa soumission à la Fondation Socan et elle a complètement époustouflé le jury et NYO!

MATONABEE PAULETTE

**ARTISTE MANDATÉ PAR NYO CANADA
NYO CANADA COMMISSIONED ARTIST**

Matonabee Paulette is a self-taught photographer with a passion for nature, landscapes, and most recently, outdoor portrait photography utilizing natural light. He enjoys going for hikes in the wee hours of the morning to catch the perfect sunrise or braving the cold to capture the northern lights. His passion for photography started in 2014 when his wife gifted him his first camera, which led to the start of Matonabee Paulette Photography.

Matonabee was born and raised in Fort Smith, Northwest Territories, where he and his wife continue to live and raise their two children, with a third on the way. Having grown up near Wood Buffalo National Park, his love of the outdoors grew tremendously with the freedom to hike throughout the Park and photograph the beautiful areas of Fort Smith and wild animals... if he was lucky!

When he is not busy with his family, his other hobbies include snowmobiling in the winter months or riding his dirt bike in the summer, watching Netflix with his wife, or enjoying a strong cup of coffee. Matonabee's goal is to photograph the beauty of Fort Smith and surrounding areas through his lens for you to enjoy inside the comfort of your home, and capture candid images of families to cherish for a lifetime.

Matonabee Paulette est un photographe autodidacte passionné par la nature, les paysages et, plus récemment, la photographie de portraits à l'extérieur utilisant la lumière naturelle. Il aime faire des randonnées aux petites heures du matin pour admirer le lever du soleil ou braver le froid pour photographier les aurores boréales. Sa passion pour la photographie a commencé en 2014 lorsque sa femme lui a offert son premier appareil photo, ce qui a conduit au lancement de Matonabee Paulette Photography.

Matonabee est né et a grandi à Fort Smith, dans les Territoires du Nord-Ouest, où lui et sa femme continuent de vivre et d'élever leurs trois enfants. Ayant grandi près du parc national Wood Buffalo, son amour du plein air s'est considérablement développé avec la liberté de faire de la randonnée dans le parc et de photographier la magnifique région de Fort Smith et les animaux sauvages... quand il en a la chance!

Lorsqu'il n'est pas occupé avec sa famille, ses autres passe-temps incluent la motoneige en hiver ou la moto en été, regarder Netflix avec sa femme ou savourer une tasse de café fort. L'objectif de Matonabee est de photographier la beauté de Fort Smith et de ses environs pour que vous puissiez en profiter dans le confort de votre maison et de capturer des moments candides en famille.

IN MEMORIAM

BRIAN G'FROERER 1945 – 2021

NYO Canada is profoundly saddened to learn of the passing of Brian G'froerer, one of the most passionate music educators we have had the privilege to work with. An NYO Canada Alumnus and Faculty member, Brian was a joy to know, a wonderful musician, and a superb teacher. His love of music and his ability to share and nurture that love in his students was a wonderful gift.

Brian G'froerer was a member of the Vancouver Symphony Orchestra from 1974 until retirement from the orchestra in 2008, first as Assistant Principal, then moving to Third and Associate Principal horn in 1980. In addition to the VSO, Brian was the principal horn of the CBC Radio Orchestra from 1976 until 2008 and was heard as such in their many CBC recordings, as well as on the orchestra's regular national radio broadcasts. Brian was an active teacher over the years, for a time in the early 1970s as a high school band instructor, then as a horn teacher at the Vancouver Academy of Music, the University of BC, the University of Victoria and at numerous local colleges. Summer programs in which he has been involved include the Courtenay Youth Music Camp, the Saskatchewan Summer School of the Arts, and CAMMAC at Shawnigan Lake, BC.

NYO Canada has lost a dear friend, a truly incredible man who will be missed by many. Our deepest condolences to the G'froerer family. In memory of his life and dedication to music education, along with support from friends and family, the Brian G'froerer Memorial Scholarship will honour his legacy and award scholarships to young horn players accepted into NYO Canada for years to come.

NYOC est profondément attristé d'apprendre le décès de Brian G'froerer, l'un des éducateurs musicaux les plus passionnés avec lequel nous avons eu le privilège de travailler. Ancien de NYOC et membre de son corps enseignant, Brian était un collègue adoré, un merveilleux musicien et un superbe professeur. Son amour de la musique et sa capacité à évoquer et à nourrir cet amour chez ses élèves étaient chez lui un don merveilleux.

Brian G'froerer a été membre du Vancouver Symphony Orchestra de 1974 jusqu'à sa retraite en 2008, d'abord comme assistant-principal, puis comme troisième cor et cor principal associé en 1980. En plus du VSO, Brian a été le cor principal de l'Orchestre radiophonique de la CBC de 1976 à 2008 et a ainsi été présent aux nombreux enregistrements de la CBC, ainsi qu'aux émissions radiophoniques nationales habituelles de l'orchestre. Brian a été un enseignant actif au fil des ans. Pendant un certain temps au début des années 1970, il a été professeur d'orchestre au secondaire, puis professeur de cor à la Vancouver Academy of Music, à l'université de la Colombie-Britannique, à l'université de Victoria et dans de nombreux collèges locaux. Il a participé à de nombreux programmes d'été, dont le Courtenay Youth Music Camp, la Saskatchewan Summer School of the Arts et CAMMAC à Shawnigan Lake, en Colombie-Britannique.

NYOC a perdu un ami cher, un homme vraiment hors pair qui nous manquera beaucoup. Nous offrons nos plus sincères condoléances à la famille G'froerer. En mémoire de sa vie et de son dévouement à l'éducation musicale, et avec le soutien de ses amis et de sa famille, le Fonds commémoratif Brian G'froerer rendra hommage à son héritage et accordera des bourses d'études aux jeunes cornistes acceptés à NYOC pour les années à venir.

LEGS BEQUESTS

NYO Canada has received generous bequests from the Estate of Jannetje Gaveel-Dorrestijn, Thomas C. Logan, Marie June Smyth and James D. Stewart. As long-time donors and supporters, these gifts are a lasting legacy to support young musicians across the country with the tools, resources, and opportunities to fulfill their orchestral dreams for generations.

Jannetje Gaveel-Dorrestijn

Jannetje (Janny) Gaveel-Dorrestijn was a generous person who supported many charities in and around the Kingston community. They include St. Andrews-by-the-Lake United Church, University Hospitals Kingston Foundation, Amnesty International, Canadian Wildlife Foundation, Doctors Without Borders, The United Way of KFL&A and the National Youth Orchestra of Canada.

Thomas C. Logan

Thomas Charles Messcar Logan, (A.R.C.T.) was admired as a musician and as an educator as was his wife, Patsy Jane Hislop (A.R.C.T.). He strongly believed in nurturing young people to see them reach their full artistic potential and supported many music education causes in Toronto and abroad.

Marie June Smyth

Marie June Smyth (Himmelman) BA, BMus BED was an accomplished pianist who taught music throughout the Halifax school system, playing an instrumental role in many Music Festivals and choirs. She was an avid subscriber at Symphony Nova Scotia and Neptune Theatre and was committed to supporting her many charities, including the NYO. In addition, Marie was a loyal member of the Retired Music Teachers Association, an Alumna of St. Mary's University, Dalhousie University and Maritime Conservatory of Music.

James D. Stewart

James D. Stewart BASC, Ph.D. was a remarkable man of diverse interests who left an impressive legacy as an educator, activist, and supporter of the arts. He was a mathematician, violinist and professor of emeritus of mathematics at McMaster University. As a gifted violinist, he played chamber music whenever possible and performed in the Hamilton Philharmonic. At all stages during his adult life, he held musical salons in his home, where many of the guests were math colleagues who also loved music. He took an interest in promising younger musicians, often featuring them in his house concerts. His final salon at Integral House included a performance by then-20-year-old violinist Blake Pouliot (NYO alum). Throughout his life, he supported many charities and services, including the arts, mathematics, and pro-LGBTQ+ initiatives.

NYOC a reçu de généreux legs de la part de la succession de Jannetje Gaveel-Dorrestijn, de Thomas C. Logan, de Marie June Smyth et de James D. Stewart. Venant de ces donateurs et supporteurs de longue date, ces dons constituent un héritage durable pour appuyer les jeunes musiciens et musiciennes de chez nous en leur fournissant les outils, les ressources et les possibilités de réaliser leurs rêves orchestraux pour des générations à venir.

Jannetje Gaveel-Dorrestijn

Jannetje (Janny) Gaveel-Dorrestijn était une personne généreuse qui appuyait de nombreux organismes caritatifs dans la communauté de Kingston et ses environs. Parmi ceux-ci, la St. Andrews-by-the-Lake United Church, l'University Hospitals Kingston Foundation, Amnesty International, la Fédération canadienne de la faune, Médecins sans frontières, Centraide de KFL&A et l'Orchestre national des jeunes du Canada.

Thomas C. Logan

Thomas Charles Messcar Logan, A.R.C.T., était admiré comme musicien et comme éducateur, tout comme l'était son épouse, Patsy Jane Hislop, A.R.C.T. Monsieur Logan croyait fermement qu'il était essentiel d'aider les jeunes à réaliser tout leur potentiel artistique et il appuyait donc de nombreux projets d'éducation musicale à Toronto et à l'étranger.

Marie June Smyth

Marie June Smyth (Himmelman), BA, BMus BED, était une pianiste accomplie, enseignant la musique dans tout le système scolaire d'Halifax et jouant un rôle d'importance auprès de nombreux festivals de musique et de chorales. Elle était une abonnée assidue de Symphony Nova Scotia et du Neptune Theatre et s'engageait à soutenir de nombreuses œuvres de bienfaisance, notamment NYOC. En outre, Marie était membre fidèle de la Retired Music Teachers Association, et ancienne élève de l'université St. Mary's, de l'université Dalhousie et du Maritime Conservatory of Music.

James D. Stewart

James D. Stewart, BASC, Ph. D., était un homme remarquable aux intérêts variés qui a laissé un héritage impressionnant en tant qu'éducateur, activiste et défenseur des arts. Il était mathématicien, violoniste et professeur émérite de mathématiques à l'université McMaster. Violoniste doué, il jouait de la musique de chambre aussi souvent que possible et se produisait au sein de l'orchestre philharmonique de Hamilton. À toutes les étapes de sa vie d'adulte, il a organisé des salons musicaux à son domicile, des rassemblements prisés par ses collègues mathématiciens également passionnés de musique. Il s'intéressait aux jeunes musiciens prometteurs, qu'il invitait souvent à participer à ses concerts à domicile. Dans le cadre de son dernier salon à Integral House, le violoniste Blake Pouliot, ancien élève de NYOC, alors âgé de 20 ans, a eu l'occasion de se produire. Tout au long de sa vie, Monsieur Stewart a appuyé de nombreuses œuvres et de nombreux services de bienfaisance, notamment dans les domaines des arts, des mathématiques et LGBTQ+.

INDEPENDENT AUDITOR'S REPORT

To the Members of The National Youth Orchestra Association of Canada

Opinion

We have audited the financial statements of The National Youth Orchestra Association of Canada ("NYO Canada"), which comprise the statement of financial position as at October 31, 2022, and the statements of changes in net assets, operations and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of NYO Canada as at October 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of NYO Canada in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing NYO Canada's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate NYO Canada or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing NYO Canada's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

(continues)

Independent Auditor's Report to the Members of The National Youth Orchestra Association of Canada *(continued)*

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial information.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NYO Canada's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on NYO Canada's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause NYO Canada to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

THE NATIONAL YOUTH ORCHESTRA ASSOCIATION OF CANADA

Notes to Financial Statements

Year Ended October 31, 2022

1. NATURE AND PURPOSE OF THE ORGANIZATION

The National Youth Orchestra Association of Canada ("NYO Canada") is incorporated as a not-for-profit organization without share capital under the Canada Not-for-profit Corporations Act. NYO Canada is exempt from income tax in Canada as a registered charitable organization under the Income Tax Act (Canada).

NYO Canada is primarily a training body dedicated to perfecting the skills and talents of the best young Canadian musicians for careers as professional orchestral players, through short but intensive high-level summer session programs. The performing and touring function of the orchestra remains a vital and integral part of a broader professional instruction program.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

These financial statements are the representation of management and have been prepared in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO") in Part III of the CPA Canada Handbook and include the following significant accounting policies.

Revenue recognition

NYO Canada follows the deferral method of accounting for restricted contributions. Restricted contributions, including government funding and contributions, are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue, when received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured.

Concert and other revenues are recognized as revenue when earned.

Rental income is recognized as revenue in the fiscal year to which it relates.

Students are admitted to NYO Canada following successful completion of an audition process. All students pay an application fee to be eligible to audition for the orchestra. The application fees are recognized in revenue in the audition period to which it relates.

Students accepted to the orchestra pay a fee and provide a deposit held on account of the student during the program. Penalties may be applied to a student for contravention of orchestra policies and this amount is taken from the deposit and recorded in revenue. The balance of the deposit is returned to the students at the end of the session.

Investment income is recognized when earned.

Government assistance revenues, including the Canada Emergency Wage Subsidy, are recognized on an accrual basis in the year in which the related eligible expenses are incurred and eligibility criteria is met.

Donated goods and services

Donated goods and services, which are not normally purchased by NYO Canada, are not recorded in the accounts.

The operations of NYO Canada depend on the contribution of time by volunteers, the fair value of which cannot be reasonably determined and are, therefore, not reflected in these financial statements.

Notes to Financial Statements

Year Ended October 31, 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

Scholarships and awards

Scholarships and awards are recorded in the fiscal year that the student participated in the orchestra.

Contributions to Ontario Arts Foundation

Contributions to Ontario Arts Foundation are recorded when approved by the Board of Directors (the "Board").

Prepaid expenses

Prepaid expenses are recorded for goods and services that have been paid, but will be received in the following year. The balance at year end is composed primarily of last month's rent deposit, and prepaid insurance, travel, and other service contracts.

Capital assets

Capital assets are recorded at cost less accumulated amortization. They are amortized on a straight-line basis over their estimated useful lives as follows:

Musical instruments	5 years
Website	3 years
Computer equipment	3 years

Impairment of long-lived assets

NYO Canada tests for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. The impairment loss is measured as the amount by which the carrying amount of the long-lived asset exceeds its fair value. Fair value is determined by the sum of undiscounted cash flows resulting from its use and eventual disposition.

Financial instruments

NYO Canada measures its financial assets and financial liabilities at fair value. It subsequently measures all its financial assets, except for short-term investments, and financial liabilities at amortized cost. Short-term investments are measured at fair value. Changes in fair value are recognized in the statement of operations.

The financial assets subsequently measured at amortized cost include cash and accounts receivable. The financial liabilities subsequently measured at amortized cost includes accounts payable.

Impairment of financial instruments

Financial assets, measured at cost or amortized cost, are tested for impairment if there are indications of possible impairment. A previously recognized impairment loss may be reversed to the extent of the improvement, either directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal, had the impairment loss not been recognized previously. The amount of any write down or reversal is recognized in excess of revenues over expenses.

Use of estimates

The preparation of financial statements in conformity with ASNPO requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Such estimates are reviewed periodically and any adjustments are reported in the year in which they become known. Such estimates include the collectability of accounts receivable. Actual results could differ from these estimates.

3. SHORT-TERM INVESTMENTS

Short-term investments are comprised of Canadian money market mutual funds issued by a major Canadian chartered bank.

9. GOVERNMENT ASSISTANCE

On March 11, 2020, the World Health Organization characterized the outbreak of a strain of the novel coronavirus ("COVID-19") as a pandemic, which resulted in a series of public health and emergency measures being put in place to combat the spread of the virus. The duration and impact of COVID-19 are unknown at this time. It is not possible to reliably estimate the impact that the length and severity of these developments will have on the financial results and condition of the NYO Canada in future periods. Management continues to closely monitor and assess the impact on operations.

As part of the response to COVID-19, the federal government introduced the Canada Emergency Wage Subsidy ("CEWS") to assist employers whose activities have been affected by COVID-19. NYO Canada received \$3,712 (2021 - \$125,493), which is recognized as government assistance in the current year..

In addition to the CEWS, the Canada Emergency Rent Subsidy ("CERS") provides relief to small businesses experiencing financial hardship due to COVID-19. NYO Canada received \$Nil (2021 - \$53,105) in the current year.

10. ALLOCATION OF COSTS

Staff perform more than one function within NYO Canada, and accordingly, their salaries and benefits have been allocated based on the time devoted to each of these functions. These expenses have been allocated in the statement of operations as follows:

	2022	2021
Student training session	\$ 177,588	\$ 108,198

	<hr/> <u>\$ 633,215</u>	<hr/> <u>\$ 497,987</u>

11. FINANCIAL RISKS

Financial instruments expose NYO Canada to risks which may affect the future cash flows of NYO Canada. The following are those financial instrument risks considered particularly significant and their related financial risks:

Credit risk

NYO Canada is exposed to credit risk arising from accounts receivable, which is the risk that a counter-party will fail to perform its obligations. Accounts receivable are regularly monitored to minimize credit risk from uncollected revenue. NYO Canada's losses from credit have been minimal.

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in market interest rates. NYO Canada is subject to interest rate risk on its short-term investments. Fluctuations in market interest rates are not expected to significantly affect NYO Canada's cash flows.

It is management's opinion that NYO Canada is not exposed to significant liquidity, currency, or other price risks arising from its financial instruments.
